A man with short brown hair, wearing a red and blue plaid shirt and a black headset with a microphone, is shown in profile from the chest up. He is sitting in a grey office chair and looking towards the left. The background is a bright, slightly blurred office environment with a window showing sunlight. On the left side of the image, there is a computer monitor with several yellow sticky notes attached to it, and a laptop is open in front of it. The overall lighting is warm and natural, suggesting a daytime office setting.
